JUDGE SIGNATURE

Top Speakers were judged from their content and information, as well as presentation. Ranging from body language, hand gestures, eye contact, and projection.

It was difficult for me to choose between

the top 2 speakers, since both had amazing points, answered all questions with logical answers, and presented pretty good.

JUDGE SIGNATURE

- Top ranking speakers were ranked highly based on unique contentions, claims, links, evidence, presentation, and participation.
- The top ~~three~~ four speakers were neck and neck. I had to rank them based on how they ~~asked~~ questioned other speakers and how they responded during the questioning period
