

Fall Champs 2022 – IPDA Topics

Round One

1. Congress should revoke churches tax exempt status.
2. Cancel culture does more harm than good.
3. The USFG should mandate a non-partisan redistricting system for federal congressional districts.
4. Voting access is more important than election security.
5. They told me all of my cages were mental, so I got wasted like all my potential. Taylor Swift

Round Two

1. Congress should implement mandatory voting.
2. Revenge is preferable to justice.
3. This House believes that affirmative action policies should value socio-economic status over racial or ethnic identity.
4. Drones are preferable to boots on the ground.
5. The love you take is equal to the love you make. The Beatles

Round Three

1. The USFG should decriminalize marijuana.
2. This House is a court of law, not a court of justice.
3. The World Trade Organization should reduce intellectual property protections for medicines.
4. Mass transit is a better solution to climate change than electric cars.
5. Idealism sits in prison and innocence died screaming. Hozier

Round Four

1. The United States Federal government should make Election Day a public holiday.
2. Ignorance of the law is no excuse for breaking it
3. The United States Federal government should mandate free universal preschool.
4. This house thinks the art is more important than the artist.
5. You can think that you're in love when you're really just in pain. Ashe

Bronze Round

1. The United States Federal government should repeal Section 230 protection for social media companies.
2. He who pays the piper, calls the tune.
3. The United States should pledge to defend Taiwan.
4. The cost of electric vehicles outweighs the benefits.
5. It's been a long hard fight, but I see a brand new day a dawning. Dolly Parton

Gold Round

1. The United States Federal government should significantly increase its investment in nuclear energy.
2. This house believes you should judge a book by its cover.
3. When in conflict, combating poverty is more important than combating climate change.
4. This House believes that isolationism is preferable to globalism.
5. If you really want to free me, tell my mummy that she's pretty. Joy Crookes
