

Speaker 1- Lauren Collins

Your topic is- "How to Stay Bitter Through the Happiest Times" by Anita Liberty” and you got 2nd rank. Your performance was average, as it seems that you are just delivering a speech. Your delivery was not so satisfactory, as there was no voice modulation or expression of things differently. You can learn from the third speaker as to how to deliver the speech. Try to make your speech interesting and engaging.

Speaker 2- Cooper Kirner

Your topic is the death of morality, and you got 3rd rank. Your content is good, but your delivery is not so good, and you need to work on it. You can do it better by using voice modulation, stressing certain words, or using postures to convey things. You also need to not read much of your material; it reflects so badly.

Speaker 3- Alicia tang

Your performance is exceptional on the topic "stuart the cowardly cop" by matt mills and you got first rank. Your speech was well crafted and had good content. Your interpretation skills are so high. Your delivery was awesome. It was amazing to see your performance, as the way you used different characters with different voices and added reactions to your delivery enhanced your performance. You looked confident throughout your performance. Overall, it was a great performance.
