Neg

rarely contradicted

- Cost - benefit analysis

- Hurts US sub presence: undermine US military, subs need to be on surface interfere with intel collection
- Prevents us from defending from terrorism
 - 1 attack many closures & trade disrupted (lt cost \$1B/day)
 - less time & space in sea to arrest terrorists
 - Navy cannot arrest them in high seas
- CO₂ = all transport from 9 yrs
 - Risk in climate change???
- Oil spill risk 2-4m seabed jobs, ~~ANIMALS WILL DIE~~

(sub util pos)

- stabilize nautical territory, intel trade & navy protect internet cables
- UN protects national security
- environment by addressing polluting & fishing to support conservation
- Nat'l security
 - threatened every day, UN allows US to work w/ countries to work as it
- Gain leadership, resources

Rebuttal (neg)
