A Bill to Adopt the Oregon Plan for College Finance on a National Basis

1 BE IT ENACTED BY THE CONGRESS HERE ASSEMBLED THAT:

2 **SECTION 1.** The United States shall adopt the “Oregon Plan” for college education.

3 **SECTION 2.** The “Oregon Plan” provides a means of paying for college tuition and expenses.

4 Students who achieve an undergraduate degree are not charged for any tuition or

5 other expenses if they agree to repay the government for these costs at 3% of

6 adjusted gross income for a period of 20 years.

7 **SECTION 3.** The primary government agency that will oversee the enforcement of this bill is the

8 U.S. Department of Education

9 **A.** The Department of Education shall be funded for initial implementation of
10 this program

11 **B.** The Internal Revenue Service shall be advised in tax collection procedures
12 for graduates by the Department of Education and shall be responsible for collecting
13 all funds.

14 **C.** All collected tax funds shall be returned to the Department of Education for
15 future problem solvency.

16 **SECTION 4.** This program shall take effect January 1st, 2016

17 **SECTION 5.** All laws in conflict with this legislation are hereby declared null and void.

B

A Resolution to Impose a Trade Embargo on Qatar for Supporting Islamic Groups

- 1 **WHEREAS,** The ruler of the government of Qatar has given financial support to the Arab Spring
2 revolutionary groups and has bankrolled Islamist groups across the Middle East; and
3 **WHEREAS,** Qatar has given at least \$8 billion to Egypt’s Muslim Brotherhood and \$400 million
4 to Hamas; and
5 **WHEREAS,** Egypt and Libya have accused Al Jazeera of supporting terrorism; and
6 **WHEREAS,** Hamas is terrorist group working against Israel; now, therefore, be it
7 **RESOLVED,** That the Congress here assembled will issue a trade embargo against Qatar until the
8 government of Qatar stops funding Islamic groups and supporting Islamic terrorism.

D

Resolution to Construct and Utilize Mass Railways

- 1 **WHEREAS,** The current federal transportation funding is for the most part directed towards the
2 maintenance of the public highway system, and towards other maintenance needed
3 to facilitate the use of personal vehicles in travel; and
- 4 **WHEREAS,** The Public Transportation and Mass Transit systems have always taken a
5 subordinate position in the allocation of funds; and
- 6 **WHEREAS,** The development of a large and effective Mass Transit system would produce jobs
7 in the construction industry for the infrastructure needed to create effective
8 passenger rail lines, and would create permanent links between nearby but distinct
9 local economies; and
- 10 **WHEREAS,** The volume of pollutants produced by personal vehicles to transport the same
11 amount of people is much higher than that of high speed passenger trains or other
12 Mass Transit options; and
- 13 **WHEREAS,** The systems in place in Europe have proven to be both profitable and effective as a
14 means of transportation; and
- 15 **WHEREAS,** The environment would benefit from less pollution and the highways would need
16 less of the money from transportation funding in order to be maintained; now,
17 therefore, be it
- 18 **RESOLVED,** That the Congress here assembled recommends that transportation funds be used
19 by the states for the planning and construction of Mass Transportation rail lines.

A Resolution to Legalize Nuclear Space Propulsion Research

- 1 **WHEREAS,** The United States is pressured by international treaty to only design theoretical nuclear
2 propulsion systems designed for orbital operations; and
- 3 **WHEREAS,** Apathy towards funding such research perpetuates the precedent of nuclear apartheid
4 that ensures a steady supply of nuclear weapons to nuclear nations, while domestic
5 nuclear technology remains heavily regulated due to fears of its misuse; and
- 6 **WHEREAS,** The opportunity to create and research peaceful applications for nuclear technology,
7 including space propulsion systems, is hampered by a military-industrial complex that
8 seeks to maintain a monopoly on nuclear technology, which in doing so stagnates the
9 development of valuable technology and resources; and
- 10 **WHEREAS,** The United States military has developed, and is still developing, intercontinental
11 weapons systems that do not rely on thermonuclear fusion or any nuclear processes of
12 the sort; and
- 13 **WHEREAS,** The use of nuclear weapons is sure to invoke potential military action from the
14 international community, and the prospect of Mutually Assured Destruction is enough
15 of a deterrent to dissuade most nations from using nuclear weapons as an act of
16 aggression; now, therefore, be it
- 17 **RESOLVED,** By the Student Congress here assembled that research into the applications of nuclear
18 technology for spacecraft propulsion systems ought to be legal for pursuit by both NASA
19 and subsidized for private enterprise.
