ELIGIBILITY

1. Any regularly enrolled undergraduate college student may represent the school at which they are pursuing a degree.
2. Any undergraduate student may participate in Open Division, but only those students with less than two years of any college forensics competition may participate in any Junior Division individual event. (ie: if students are in their third or fourth year of college forensics they are not eligible for junior division even if this is the first time they are participating in a particular event.)
3. In Debate competition any individual may compete in open division. Only those students with less than four full semesters of college debate experience may participate in junior division. (ie: if a student participates in CEDA/NDT for four semesters, they are NOT eligible for junior division NPDA). Novices must meet the NPDA definition of novice (First 2 semesters of college debate. Less than one semester of high school debate.)
3. Any questions concerning eligibility should be directed to the Speech Activities Coordinator, Bob Becker (307) 754-6118 or the Tournament Director, Jeannie Hunt (307) 754-6422.

ENTRY LIMITATIONS

1. Each institution may enter a maximum of four debate teams in any division of debate without the prior permission of the Speech Activities Coordinator. Only four teams in each division, designated at registration, may earn sweepstakes points.
2. Students may enter no more than three individual events per pattern, and only two in a pattern if one of them is extemp or NFA-LD. ***A student may not enter both LD and extemp.***
3. In order to facilitate BP students' competition in individual events, we will ask judges to make their critiques relatively short. Additionally, students in BP may not enter extemp.

JUDGING REQUIREMENTS

1. Each institution must provide at least one qualified judge, preferably the Director of Forensics. Judges must possess a BA or equivalent degree, or obtain Speech Activities Coordinator's prior approval.
2. One judge covers two debate teams. One judge covers 5 IE slots per pattern OR four LD entries.
3. All debate judges are committed one round past their school's elimination from the tournament.
4. Failure of school to meet its judging obligation may result in the withdrawal of that institution's students.
5. If you have a particular problem meeting your institution's judging requirements contact the Speech Activities Coordinator or Tournament Director.
6. We will gladly hire you if you can judge beyond your commitment. If you know of qualified individuals who would like to be hired, please have them contact the Speech Activities Coordinator.
7. Disclosure: Following the return of the ballot, critics may disclose as much or as little information as they see fit so long as it does not interfere with the tournament schedule. Delays caused by coaches/judges may, at the tournament director's discretion, result in penalties to that school's teams including removal from the tournament. We don't want to do it, so don't put us in a position where we would need to do it. NOTE TO JUDGES: All parli rounds must have one winner and one loser.

Practices and Standards

The Western Forensics Association subscribes to and will abide by the NPDA rules and bylaws for debate, and the AFA Code of Standards.

Brackets will be broken in the pairing of elimination rounds of debate and individual events. NPDA and LD will be paired high-high in rounds 3 & 5, and high-low (within brackets) in rounds 4 & 6. Rounds 1 & 2 will be preset randomly.

AWARDS

Western States will feature awards for all finalists in individual events and all elimination rounds in debate (beginning with octa-finalists). School honor awards will be presented for the top three schools in each category of four year and two year schools as well as the top schools in debate and individual events. The top five speakers in each division of debate will receive speaker awards.
