NFA LD

NFA Lincoln-Douglas Debate is a one-person, persuasive, policy debate on traditional stock issues. It is a communication event, by which we mean the philosophy of the activity is consistent with that which governs other individual events. Competitors in NFA Lincoln-Douglas will be evaluated on their analysis, use of evidence, and ability to effectively and persuasively organize, deliver, and refute arguments. Rapid-fire delivery, commonly called "spread delivery," is considered antithetical to the purpose and intent of this event.

DIVISION REQUIREMENTS

NOVICE

INDIVIDUAL EVENTS

A student who has not won two trophies (1st, 2nd, or 3rd Place) in an event in which a final round occurred. Students competing in an event which is similar; must be novice in all of those similar events. (Platform, Interp., Limited Prep). As an example; a student who is in Open Division in Prose, must also be open in Poetry, even if they have never competed in Poetry. Anyone who has won a Gold, Silver or Bronze at Phi Rho Pi is not a novice. Significant, previous high school participation is also not a novice competitor.

DEBATE

A team consisting of students in their first 2 semesters of competition, and neither team member has advanced to an out round twice. If either team member has competed in two out rounds, they must be advanced to Open division. **Students with significant high school or home school team policy, LD, Parli, Ted Turner, or other similar formats of debate, should be advanced to Open division) Eligibility violations will result in the removal of that team from the tournament.**

OPEN

The open division in both debate and individual events will be limited to community college students only with remaining CCCFA and/or Phi Rho Pi eligibility.

SOUTHERN CALIFORNIA LD CHAMPIONSHIPS

This tournament has no restrictions on eligibility –both 2 and 4 year students are welcome.

AWARDS

We will break to a bronze round in parliamentary debate and award the top ten speakers in each division. All IE finalists will receive awards.

Two categories of sweepstakes awards will be given out. The "Large Entry" category will be determined by counting the number of students entered by each school in the tournament as of Wednesday night. Fifty percent (plus ties) of the schools entered in the tournament will count as large entry.

The "Limited entry" category will consist of all the remaining schools. Novice division points will count 50% towards sweeps.
