

Dear Coaches,

This year Bear Creek has decided to try something different, and is using Joy of Tournaments for the registration and running of the tournament. One of the chief issues we've had with that has been exposure: I've heard from many of you now that you thought the tournament was cancelled, despite e-mails to the contrary.

The Grizzlies Invitation is definitely NOT cancelled, and we would love to have you out. Please go to <http://www.joyoftournaments.com/wa/bearcreek/info.asp?p=1> for the invitation and registration.

Thank you

Kevin Davison
