

BROADCAST JOURNALISM

Use a webcam and post a 2 minute maximum news broadcast to YouTube. Though you will only be judged for the audio portion of the broadcast, you need to speak on camera so that it can be verified that you did this in one take. Please email eroebuck@jbu.edu if you are interested in competing by 5 pm Friday February 28. You must email the YouTube link to eroebuck@jbu.edu by 9 am Saturday March 1.

THEME OF THE BROADCAST

You are a newscaster for the Onion Radio Network. Use the following articles from the Onion to build your 2-minute newsbrief. You are allowed to adapt the articles for time and add any necessary introductory, transition, and concluding material for your newscast.
