Due to room space, there will not be a novice division, but top novices in each event will be recognized. A novice is defined as any student in their first year of intercollegiate competition.

We will have a hospitality room for judges and coaches. We will also have a sandwich making station with fruits, water, and snacks for competitors.

The sweepstakes formula is as followed: 10 points for 1st place, 8 points for 2nd place, 6 points for 3rd place, 4 points for 4th place, 2 points for 5th place, and 1 point for 6th place. The same formula will be used for individual sweepstakes awards for students in four events.

Entry Fees

Individual Events:	\$10 per covered entry (1 judge covers 10 cumulative entries)
Uncovered IE:	\$20 per uncovered entry
School Fee:	\$20 per program
