

1ST ANNUAL SHARK INVITATIONAL

Hosted by Southeast Arkansas College | October 23-24, 2020

Hello IPDA friends and colleagues!

The SEARK Shark Speech and Debate Team would like to invite you to the first annual Shark Invitational hosted virtually from the campus of Southeast Arkansas College on Friday October 23 through Saturday October 24. We will offer 6 rounds of IPDA debate advancing to appropriate elimination rounds. Anthony McMullen of UCA has graciously offered to run tab for the tournament. No other events will be offered during this weekend, however, a joint IE/debate prize will be awarded for those who also enter our asynchronous speech tournament later in November.

All entries must be received by Tuesday October 20 at 5:00 pm CDT on ForensicsTournament.net. Changes will be accepted until Thursday October 22 At 12 noon CDT. Each judge will cover 2 debaters. Please try to cover all of your entries as we have a very limited supply of hired judges.

All elimination round participants will receive emailed awards that can be printed and framed. Champions and top speakers in each event will be mailed a special award for their win. We will also make a special video for each team that can be shared on social media to publicize your squad's success!

We hope you can join us for what we hope will be the first of many future Shark Invitationals!

- All entries should be covered. We have a limited number of hired judges, but that is not a guarantee that we can cover your uncovered judges. One judge during debate rounds covers two (2) IPDA debaters.
- As is commonplace in IPDA, once eliminated from competition, IPDA competitors may be used to judge IPDA elimination rounds.
- All judges are obligated to judge for the entirety of the tournament. We will reserve the power to limit entries to make certain we can provide sufficient judging pools needed to keep clean rounds throughout the tournament.

- Your Judges and Competitors MUST provide email addresses (in ForensicsTournament.net) to receive their ballots, and providing cell phone numbers is STRONGLY encouraged.

AWARDS AND COMPETITION PROCEDURES

AWARDS

- Certificates will be presented to all elimination round participants in all events (via emailed files).
- Tournament champions will be mailed a physical award.
- Awards shall be presented to the top five speakers in each debate division.

- 6 preliminary rounds and the appropriate number of elimination rounds will be offered.
- See IPDADebate.info for division eligibility requirements (or simply ask us if you need clarification).
- Debate points will be awarded according to the following formula:

 - 3 points for 3rd speaker
 - 2 points for 4th speaker

EVENT INFORMATION AND RULES

General information

- No minimum number of entries is required for schools to count toward debate sweepstakes awards.

- We will provide ADA accommodations upon request; please let us know at the time you enter if you need any special arrangements.
- The tab room will operate on a closed basis; tab staff will be available via chat and cell phone.
- We will be using the Lee College Debate Team website for supplemental information found at <http://www.leecollegedebate.org/>

IPDA Considerations

- Please adhere to all rules expressed in the Bylaws and Constitution of the IPDA.
- In order to keep the tournament running on time, please remind your competitors that they should activate their timers when the draw begins, not after the strike process ends.
- Please remind your judges that electronic devices are NOT permitted for anyone in a round other than for accessing the Yaatly platform or ballots, including the judge.

Tournament Ethics Statement

- The behavior of all attending will be in keeping with the NCA Policy on AntiHarassment Code of Conduct. We encourage all programs to review these expectations prior to entering this tournament.
- Southeast Arkansas College expects that behavior between all participants, coaches, judges, and guests be respectful and appropriate at all times. If any participant has concerns over propriety or good sportspersonship, they should discuss the matter with their coaching staff. Any coach, judge, or guests should address any concerns with the Tournament Director exclusively.
- As a condition of entry, all participants, coaches, judges, and guests agree that the decision issued by the Tournament Director is binding and final.

Virtual Tournament Rules and Regulations

- All competitors and judges should be in their competition room 5 minutes before the start of the round and test their audio. If a competitor or judge is not present in the room by the start of the round please contact Tournament Director Joe Ganakos through Yaatly chat immediately. Competitors who are over 5 minutes late will be forfeited.
- Coaches should confirm that all team judges have their ballots five minutes prior to the beginning of each round. All ballots will be delivered electronically via the email addresses the team's coach has provided. All schools must have their judges and competitors in the virtual rooms within 5 minutes of start times. Schools will be given 1 warning, then the offending judges and the competitors may be removed from the tournament.
- If a competitor's internet drops in the middle of a round, the competitor should try to re-enter the competition room first; if this does not work then please contact Erick Roebuck through Yaatly chat immediately.
- If a competitor drops connection, the competitor will have a maximum of five minutes to reconnect before the round is forfeit. Due to the constraints of a virtual tournament, rounds will not be re-run.
- If a judge drops connection, the competitors should immediately pause their timers and contact Erick Roebuck through Yaatly chat after two minutes have elapsed.

- Competitors and judge webcams must be activated the entire debate round, and they should not change their backgrounds.
- Competitors should mute their video during competitor speeches, only during cross-ex should both microphones be turned on. It is useful to use headphones during the round to help ensure everyone can hear you properly. Judges should also mute their microphones once the round has started.
- Judges should activate the in-round timer function appropriate for each debate segment.
- Oral critiques by the judges ARE PROHIBITED after the round. This is important for keeping the rounds on-time
