

Bobcat Forensic Classic Texas State University

Friends,

Please join us on Sunday, February 6th for the Bobcat Forensic Classic.

We will offer 2 preliminary rounds in each of the 11 AFA-NST events with a final round in each. However, we will not hold a final round in events with fewer than 9 competitors. Instead, two rounds with a total of three judges will be utilized. Students may enter 3 events per pattern, but it is the student's responsibility to complete their events in the allotted time.

We will follow AFA rules and recommendations for synchronous online tournaments. With the exception of novice awards, all tournament procedures, including fees, will follow those used by the TIFA Spring Championship.

We will use ForensicsTournament.net for registration, event postings, ballot distribution, tournament tabulation, and information sharing. 8X8 will be used for competition and meeting rooms.

Payment: Please pay your fees no later than two weeks from the end of the tournament. **Checks are preferred and should be made payable to Wayne Kraemer, P.O. Box 1425, San Marcos, Texas 78667.** If alternative means of payment are needed, please contact Wayne Kraemer (wk02@txstate.edu).

We look forward to seeing you soon!

Wayne Kraemer
Director of Forensics
Texas State University
