

2023 NCFA Spring Fling Online Tournament
One Day, Novice Only
Saturday, April 29th, 2023

Hosted by
Skyline College, San Bruno, California

On behalf of the Northern California Forensics Association and the Skyline Speech and Debate Team, you are cordially invited to attend the 2023 Spring Fling Tournament, taking place Saturday, April 29th. This is an ***in person*** tournament. Please note this is a rookie/novice-only tournament and coaches should use discretion when selecting students who are beginners in a given event.

The tournament offers platform, limited preparation events, debate, and interpretation events.

Pattern A (After Dinner Speaking, Impromptu, Informative, Programmed Oral Interp, Prose, IPDA, and Lincoln-Douglas Debate)

Pattern B (Dramatic Interp, Duo, Poetry, Persuasive, Extemporaneous, and Parliamentary Debate).

Parli will include flex time. Students may compete in no more than 2 events per pattern. NFA-LD debaters cannot double enter in Pattern A, just as Parliamentary debaters cannot double enter in Pattern B.

Registration

You can register your students to compete in these events at the ForensicsTournament starting on Sunday March 12th! All entries and drops must be submitted by Thursday, April 27th at 5:00pm. For additions, changes, and drops after April 27th at 5:00pm (PT), email Brennan Mock (bmock@csumb.edu)

JUDGING

Coaches and former competitors will contribute to a quality judging pool, ensuring students who are being exposed to the activity for the first time have a positive experience. Experienced, open competitors are also invited to judge. Student judges not only contribute to the growth of others as supportive listeners and critics, but may also benefit from experiencing forensics from the other side of the table. ALL STUDENT JUDGES MUST ATTEND AN ORIENTATION AT 8:30am. If you know a qualified judge who is not affiliated with your school and would be interested in judging, please contact the tournament director: Brennan Mock; (bmock@csumb.edu) as soon as possible to see about having that judge hired into the judging pool. We will offer the Robert Hawes Student Judging Award for the Top Student Judge at the tournament.

Note on round coverage: One judge will cover 6 slots per pattern in IEs and up to two debate teams. As NFA-LD rounds conflict with Pattern A events, NFA-LD judges will not be able to cover Pattern A IE events. As Parli rounds conflict with Pattern B events, Parli judges will not be able to cover Pattern B IE events. **If your judges fail to meet the obligations that you assign to them, your institution will be charged the hired judging fees.**
