

Prep Room Assignments for OIFA 2024

Each Team will have their own Prep Room for the IPDA portion of the swing. These rooms have been taken out of the competition portion of IPDA and will be a part of the IE portion of the swing. So, if you advance, you will have your prep room Saturday morning but as soon as we get to start the finals round, please have your team move their items out. We will have plenty of space in the Chatrooms for you to make a nice home for your team.
