

Self-Registering for Guest Wireless Access

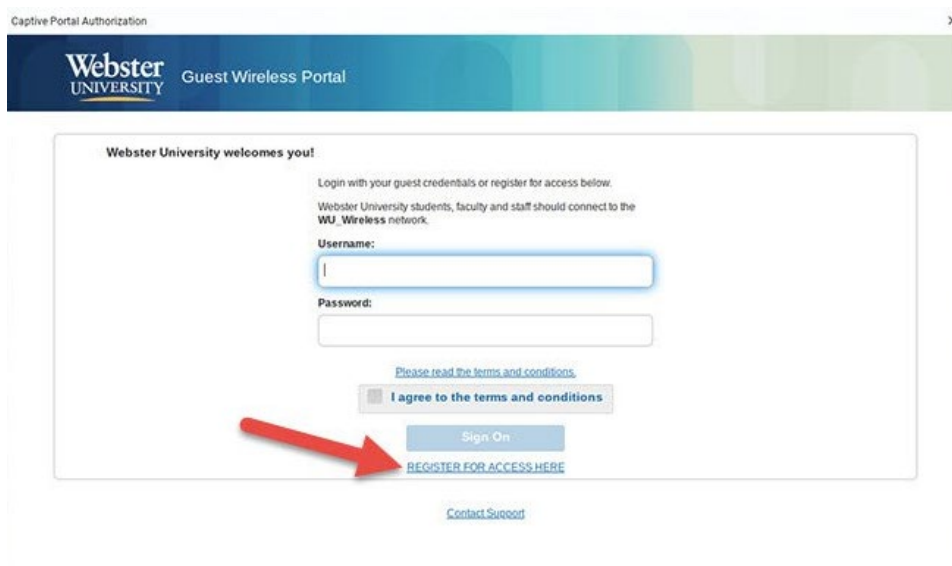

Use this method if:

- You are a visitor at Webster University and wish to register for guest wireless access for up to 8 hours at a time.

1. Connect to the **WU_Guest** wireless network on your device
2. If you are not automatically directed to the guest wireless portal, open a web browser on your device. You should now be redirected to the portal. If you are not automatically redirected, try browsing to a web page such as www.google.com.

Note: If using a Chromebook, you may see a popup at the bottom right of the screen that says "The Wi-Fi network you are using (WU_Guest) may require you to visit its logon page." If you click in that message, you should be redirected to the portal.

3. Click on the link that says **REGISTER FOR ACCESS HERE** at the bottom of the page.

The screenshot shows a web browser window titled "Captive Portal Authorization". The header features the Webster University logo and the text "Guest Wireless Portal". The main content area has a light blue background and contains the following elements:

- A welcome message: "Webster University welcomes you!"
- Instructions: "Login with your guest credentials or register for access below. Webster University students, faculty and staff should connect to the WU_Wireless network."
- Fields for "Username:" and "Password:".
- A link: "Please read the terms and conditions."
- A checkbox labeled "I agree to the terms and conditions".
- A "Sign On" button.
- A link "REGISTER FOR ACCESS HERE" which is highlighted by a red arrow.
- A "Contact Support" link at the bottom.

4. Enter your **First name**, your **Last name** and your **Email address**.
5. Review the terms and conditions for guest wireless access.
6. Check the box to agree to the terms and conditions.
7. Click **Register**.

8. You will be taken to an Account Created message. Here you will find your automatically generated username and password. They will also be emailed to the email address you provided in the registration process. These credentials will be valid for 8 hours only. Click **Connect** to be automatically connected to the WU_Guest network. Should you become disconnected within the 8 hour window, you can logon again at the main guest wireless portal with these credentials.
