

2024 SDSU's Gaske Memorial Tournament

Feb 3-4, 2024

Dear Friends and Community Members,

It is with great pleasure that San Diego State University and the SDSU School of Communication invite you to the Third annual Gaske Memorial Tournament.

Our hope is that this format advances your students towards their local and national-circuit goals over the span of one weekend. We have also altered our schedule of offered events in order to keep costs down, decrease the strain on judges, and maintain our ability to offer our standard of student wellness.

This year the tournaments feature:

- 1 IE Tournament (Sunday Only)
- 4 prelim rounds of NPDA debate (Saturday). *Bronze/ Gold round with Option to go to Finals in Open division if participants request and judges are available.*
- 4 prelim rounds of NFA-LD and IPDA (Saturday) *Bronze/ Gold round.*

Open, Junior, and Novice divisions will be offered in all respective events, where warranted.

General Guidelines

Tournament Rules –

1. SDSU Forensics prioritizes the creation and maintenance of safe spaces for all participants at our tournaments which is why we require the Title IX training of judges, participants, and Tab Staff. Those individuals who do not uphold these guidelines will be asked to leave the tournament.
2. AFA, NFA, IPDA, and NPDA regulations will govern their respective divisions, *unless specified elsewhere in this invitation.*
In NPDA debate hybrid teams and three-person teams may compete.
 - a. *PLEASE NOTE: In NPDA, no person who has competed for ten (10) or more semesters or has competed at NPDA or NPTE in four (4) different years may compete.*
Electronic Flowing and Prep will be allowed as per NPDA bylaw changes.
 - b. Coach Prep will be allowed in IPDA

- c. In IEs, no person who has competed for eight (8) or more semesters or has competed at a collegiate national tournament in four (4) different years may compete.

Divisions

The SDSU Gaske/Mills Invitational will offer novice and open divisions of all reasonably populated IEs and debate events (***see policy BELOW on collapsing divisions with less than 6 competitors***).

Students are considered to be novices in individual events when:

1. They are in their first year (defined as first two semesters of collegiate or high school individual event competition), and
2. They have not placed third or higher in a similar event (Public Address, Interpretation or Limited Preparation) two or more times in any division including high school. For example, a student may be novice in interpretation, but be open in public address events.
3. “Open” will be reserved for competitors of any year or level (assuming THEY ARE still eligible by national standards), and does not require unique qualification.

Entry Procedure--

1. Registration must be completed by 11:00 pm on Wednesday Feb 1, 2023.
2. Entries for ALL events will be accepted electronically at <http://www.forensicstournament.net>.
3. Any changes to be made after the deadline should be emailed to anuckelscuevas@sdsu.edu no later than Thursday Feb 2, 2023, by 11:59pm.
4. Students and judges who are participating in NPDA debate must complete, and provide documentation of, Title IX training before the beginning of the first round of competition. Training can be completed through the affiliated school’s institutional training or through the free NPDA training which can be found below. Please email a copy of the completion of training to anuckelscuevas@sdsu.edu with the subject line “Gaske Memorial Title IX Verification”.
5. Judge Constraints can be submitted directly to the tournament host or a member of the Tab Staff. Those emails will be provided once those positions have been finalized.

6. ADA Accommodations will be made for all competitors in need of them, please make sure to note those requests when registering online AND send a copy of that request to the tournament host.

Entry Limits- Participants will be limited to a maximum of 3 events per pattern in both tournaments. Unfortunately, due to time constraints triple entry will not be allowed for Extemp. It is the sole responsibility of the participants to check in to rooms on time, write names and school codes on the board, communicate with judges, and make it to rounds within the time allotted. Late arrivals who have not “checked-in” will be subject to an automatic drop.
