

2024 NCFA Spring Fling Tournament

One Day, Novice Only

Saturday, May 4th, 2024

Hosted by

Skyline College, San Bruno, California

On behalf of the Northern California Forensics Association and the Skyline Speech and Debate Team, you are cordially invited to attend the 2024 Spring Fling Tournament, taking place Saturday, May 4th. This is an ***in-person*** tournament. Please note this is a rookie/novice-only tournament and coaches should use discretion when selecting students who are beginners in a given event.

The tournament offers two patterns with platform events, limited preparation events, interpretation events, and debate.

Pattern A (After Dinner Speaking, Impromptu, Informative, Programmed Oral Interp, Prose, IPDA, and Lincoln-Douglas Debate)

Pattern B (Dramatic Interp, Duo, Poetry, Persuasive, CA, Extemporaneous, and Parliamentary Debate).

Double entry is permitted in both patterns with the exception of LD and Parli. Students may compete in no more than 2 events per pattern.

We look forward to seeing you on the Skyline College campus soon.

Registration

You can register your students to compete in these events at ForensicsTournament.net. All entries and drops must be submitted by Thursday, May 2nd at 5:00pm. For additions, changes, and drops after May 2nd at 5:00pm (PT), email Tournament Director Kim Yee (kim.yee@sjsu.edu)

Event Rules

The tournament will follow the bylaws of national organizations for the event in question (NFA, NIET, NPDA, IPDA...) unless specified here or in the case that a practice or rule has been established as a regional norm. If you have questions about rules and procedures, please contact the tournament prior to the event to clarify. Concerns brought forward during the event shall be left up to the Tournament Director to adjudicate.

Note: Parli will use flex time in round (which is a regional norm at this point).

Awards Showcase

Prior to the start of the award ceremony, the NCFA would like to host an honorary showcase in which four selected open competitors from the region present award-winning speeches to the novice competitors. If you would like to nominate a student to be considered for the showcase, please email Kim Yee (kim.yee@sjsu.edu) and Jeff Toney (jeffrey.toney@deltacollege.edu).

We will also be recognizing the winners of the 2024 NCFA year-end awards. Please make sure that you get your nominations in and vote for the candidates in each category. NCFA President Jeff Toney (jeffrey.toney@deltacollege.edu) will be sending out the email for the nominations and the voting to all coaches in the area.

At the beginning of the tournament, you will confirm your entries but all fees will be assessed at the end of the tournament.

JUDGING

Coaches and former competitors will contribute to a quality judging pool, ensuring students who are being exposed to the activity for the first time have a positive experience. Experienced, open competitors are also invited to judge. Student judges not only contribute to the growth of others as supportive listeners and critics, but may also benefit from experiencing forensics from the other side of the table. **ALL STUDENT JUDGES MUST ATTEND AN ORIENTATION AT 8:30am.** If you know a qualified judge who is not affiliated with your school and would be interested in judging, please contact the tournament director: Kim Yee; (kim.yee@sjsu.edu) as soon as possible to see about having that judge hired into the judging pool.

Note on round coverage: One judge will cover 6 slots per pattern in IEs and up to two debate teams. As NFA-LD rounds conflict with Pattern A events, NFA-LD judges will not be able to cover Pattern A IE events. As Parli rounds conflict with Pattern B events, Parli judges will not be able to cover Pattern B IE events. **If your judges fail to meet the obligations that you assign to them, your institution will be charged the hired judging fees.**
