

INTERNATIONAL FORENSICS ASSOCIATION

35TH ANNUAL SPEECH & DEBATE TOURNAMENT AND CONFERENCE INCHEON, SOUTH KOREA – MARCH 7-9, 2025

Dear Colleagues,

We cordially invite your students and coaches to join us in Incheon on March 7-9, 2025 to compete in the International Forensics Association's 35th Annual International Speech and Debate Tournament.

The tournament will be conducted in English and consist of team debates in National Parliamentary Debate Association and British Parliamentary format; individual debates in International Public Debate Association format; five interpretation of literature events, four platform speaking events, two limited preparation speaking events, two online events, and a nuance event designed to honor our host nation. All competition rounds will be hosted at the University of Utah Asia Campus and George Mason University – Mason Korea.

We know that the cost of airfare is often the reason programs are unable to attend, but we hope that identifying the dates at an early juncture, keeping our fees low, and securing an affordable hotel contract (€220 for double occupancy) will help your program participate.

Should you have any questions regarding the registration process, please consult the instructions attached or contact our Tournament Director, Dr. Jeannie Hunt, about tournament-related issues or our Treasurer, Prof. Sarah Hinkle, about financial questions. We look forward to the prospect of seeing your team in Korea for the experience of a lifetime!

Kind Regards,

ENTRIES

1. Entries are due to forensictournament.net by Monday March 3rd 11:59 pm (PST)
2. A school may enter a maximum of 10 students and/or teams per event.
3. Students may enter a maximum of 2 events per pattern (4 total) PLUS debate: NPDA, BP **or** IPDA. Time does not permit a student to enter multiple styles of debate. Students who double enter assume responsibility for managing time to make it to all rounds.
4. Schools with large entries may have to compete against fellow teammates.
5. ***All rounds will be hosted at the University of Utah Asia Campus. If necessary, additional rounds and awards will be hosted at Mason Korea.*** Please plan ahead for transportation to and from the campus.

FEES

1. Each school must pay a \$75 annual membership fee.
2. Each event entry requires a \$12 fee (assessed on March 5, 2025)
3. Any changes made after March 5 will be subject to a \$20 drop/change fee. Please email any changes to jeannie.hunt@utah.edu.
4. All questions about tournament fees should be directed to shinkle@coloradocollege.edu.

JUDGES

1. Judges must be qualified educators and possess a bachelor's degree.
2. ***Schools must provide as many judges as possible.*** One judge covers 5 I.E. events per pattern (10 total) and 1.5 debate entries (For example, 1 judge is needed for 1 debate entry, 2 judges are needed for 2 debate entries, and 2 judges are needed for 3 debate entries, 3 judges for 4 debate entries and so on).
3. BP Debate judges are based on entry size. You must provide "n-1 judges" where n equals the number of teams entered, e.g., 3 teams= 2 judges, 4 teams= 3 judges, etc. BP judges are committed through finals. Each school with BP entries must provide a minimum of one BP judge.
4. It is the responsibility of the judge and school to ensure each judge has international access to internet services necessary for electronic balloting. Judges who do not pick up ballots will incur a \$50 per ballot fine for their program. Fines must be paid prior to elimination rounds, or in the case of a failure to pick up a ballot for an elimination round, before awards. Schools that do not pay their fines may have students removed from elimination rounds. **Lack of service will not be a sufficient reason for not picking up a ballot.**
5. Hired judge fees for schools without judges are \$50 per speech entry and \$200 per debate entry. No more than 2 uncovered debate entries will be allowed.
6. ***All judges must be available to judge all events (speech and debate) at all times.*** Specific judging requests may be made, and we will do everything we can to honor those requests, but judging needs may require the tournament to place judges into any event at any portion of the tournament.
7. **Every school is required to provide at least one judge.**

EXTEMPORANEOUS SPEAKING

Contestants will construct and deliver a speech not to exceed 7 minutes after choosing from among three questions on current events, with 30 minutes of preparation. The use of limited notes is allowed. Electronic methods of resource material may be used, and students should be able to retrieve cited material upon judge request. The IFA is not responsible for providing for any electronic storage or retrieval methods.

RHETORICAL CRITICISM

Contestants will deliver an original critical analysis of any significant rhetorical artifact. The speaker should limit the quotation of, paraphrasing of, or summary of, the analyzed artifact to a minimum. Maximum time is 10 minutes.

PROGRAM ORAL INTERPRETATION

Contestants will deliver a program of thematically-linked selections of literary merit, chosen from two or three recognized genres of competitive interpretation (prose/poetry/drama). A substantial portion of the total time must be devoted to each of the genres used in the program. Different genre means the material must appear in separate pieces of literature (e.g., A poem included in a short story that appears only in that short story does not constitute a poetry genre.) Only one

selection may be original. Use of manuscript is required. Maximum time is 10 minutes.
