

A Bill to Require Hospitals to Publish Standardized Price Lists for Common Procedures

1. BE IT ENACTED BY THE STUDENT CONGRESS HERE ASSEMBLED:

2. **Section 1** All hospitals operating in the United States shall publish,
3. in a single publicly accessible online location, standardized price
4. lists for the 300 most common shoppable medical procedures, including
5. both list prices and the average price negotiated with each major
6. insurer.

7. **Section 2** "Shoppable procedure" is defined as a service that can be
8. scheduled in advance, as classified under the Centers for Medicare
9. and Medicaid Services' Hospital Price Transparency rule.

10. "Standardized" is defined as presented in a single format specified
11. by the Secretary of Health and Human Services, using plain-language
12. procedure names alongside billing codes.

13. **Section 3** The Department of Health and Human Services, through the
14. Centers for Medicare and Medicaid Services, shall enforce this
15. legislation and may levy civil penalties of up to \$2 million
16. annually per hospital found to be in non-compliance. A hospital that
17. charges a patient more than its published price for a shoppable
18. procedure shall refund the difference to the patient and shall pay
19. an additional civil penalty of up to \$10,000 per occurrence.

20. **Section 4** This legislation shall take effect January 1, 2028. All
21. laws in conflict with this legislation are hereby declared null and
22. void.

A Resolution to Support Same-Day Voter Registration Nationwide

1. **WHEREAS**, Twenty-four states and the District of Columbia currently
2. allow eligible citizens to register to vote and cast a ballot on the
3. same day; and
4. **WHEREAS**, States without same-day registration require voters to
5. register weeks in advance, causing eligible citizens to miss the
6. deadline and lose their opportunity to vote; and
7. **WHEREAS**, Same-day registration reduces administrative burden by
8. lowering the number of provisional ballots that must be processed
9. after Election Day; and
10. **WHEREAS**, Every state currently offering same-day registration
11. requires it to be done in person, and no state extends it to voters
12. requesting a mail-in or absentee ballot; now, therefore, be it
13. **RESOLVED**, That the Congress here assembled urge all states to adopt
14. in-person and mail-in same-day voter registration for federal
15. elections; and, be it
16. **FURTHER RESOLVED**, That the Congress here assembled encourage the
17. Election Assistance Commission to provide technical and financial
18. assistance to states transitioning to same-day registration systems.

A Bill to Require Police Body Cameras Nationwide

1. BE IT ENACTED BY THE STUDENT CONGRESS HERE ASSEMBLED:

2. **Section 1** All state and local law enforcement agencies receiving
3. federal funding shall equip on-duty patrol officers with body-worn
4. cameras and shall require those cameras to record during all working
5. hours. All recorded footage shall be reviewed by an automated system
6. that flags possible violations of department conduct policy.

7. **Section 2** "Body-worn camera" is defined as a mobile audio and video
8. recording device worn on an officer's uniform. "Automated review
9. system" is defined as software that analyzes recorded footage and
10. flags interactions for human review.

11. **Section 3** The Department of Justice shall enforce this legislation
12. and shall withhold funding from any agency found to be in
13. non-compliance.

14. **Section 4** All footage shall be retained by each law enforcement
15. station for a period of at least 30 years; footage with human
16. confirmation of crimes or policy violations will be held
indefinitely.

17. **Section 5** This legislation shall take effect FY 2029. All laws in
18. conflict with this legislation are hereby declared null and void.
