A Bill to Prohibit Surveillance-Based Price Increases

BE IT ENACTED BY THE STUDENT CONGRESS HERE ASSEMBLED:

Section 1 Businesses shall not use personal consumer data to increase the price charged to an individual consumer for the same good or service.

Section 2 Personal consumer data includes a consumer’s browsing history, location history, purchasing behavior, demographic information, device data, or inferred willingness to pay.

Section 3 The Federal Trade Commission shall enforce this Act under its existing consumer-protection authority.

Section 4 This Act shall not prohibit price differences based on inventory, supply and demand, time of purchase, transaction location, shipping costs, or publicly disclosed discounts available to all consumers who meet the same criteria.

Section 4 This Act shall take effect one year after enactment.

Section 5 All laws in conflict with this legislation are hereby declared null and void.

A Bill to Raise Juror Pay in Federal and State Courts

BE IT ENACTED BY THE STUDENT CONGRESS HERE ASSEMBLED:

Section 1 The attendance fee paid to jurors serving in United States district courts shall be raised from $50 to $100 for each day of service. The federal government shall additionally provide grants to states that raise their own juror attendance fee to no less than the federal minimum wage multiplied by eight hours.

Section 2 "Attendance fee" is defined as the daily payment made to a juror under Section 1871 of Title 28 of the United States Code, and is separate from the mileage, parking, and subsistence allowances paid to jurors.

Section 3 The Administrative Office of the United States Courts shall enforce this legislation and shall administer both the increased federal attendance fee and $150 million annually in grants to qualifying state court systems.

Section 4 This legislation shall take effect in FY 2029. All laws in conflict with this legislation are hereby declared null and void.
