

August 9, 2011

Dear Colleagues,

The University of Utah Forensics Team and the Department of Communication cordially invite your team to attend the second annual Beehive Bonanza, October 7th and 8th, 2011, on the University of Utah Main Campus in Salt Lake City, Utah. The tournament will feature Student Congress, all three styles of NFL debate (policy, Lincoln-Douglas, and public forum), and six IE events (dramatic interp, humorous interp, duo interp, extemp, oratory, and impromptu).

We hope the Beehive Bonanza will deliver an even better experience than last year. And, to help ensure that, we have made a few changes to serve you better. First, we will be hosting a separate round-robin tournament to recognize outstanding varsity debaters. We hope the round robin will become one of the nicer features of your competitive schedule. Second, we will be offering \$500 partial scholarships to top finishers at the Bonanza in Lincoln-Douglas and Policy Debate when (and if) they attend the University of Utah and participate in Utah Forensics. Third, **this year the Beehive Bonanza will feature both Open and Novice divisions** (no junior division). Fourth, **the University of Utah Student Union has agreed to open for lunch service on Saturday, October 8th to improve your tournament experience.** Fifth, we are currently working to identify times to offer a one-hour coaches' clinic, as well as a parli demonstration for students during the tournament. Finally, to make our tournament more appealing to coaches and judges, we look forward to providing a well-stocked wellness room featuring light refreshments, snacks, and beverages for coaches/judges.

We look forward to seeing you at our judges' reception on Friday, October 7. If you have any additional questions about the tournament, feel free to email (forensics@utah.edu) or call (801-581-6454) with any questions or comments. From our team to yours, we wish you the best for a relaxing summer and a safe and competitive 2011-2012 travel season.

Best Wishes,

Dr. Michael K. Middleton

Tournament Information:

Rules: NFL rules and regulations will be in effect, unless otherwise specified in this invitation. No hybrid entries will be accepted in any team events.

Competitor Eligibility: Any high-school student who is currently enrolled and in “good standing” (as determined by their school’s administration) is eligible to compete. No person who has competed more than 8 semesters or has competed in four years of national high-school speech or debate tournaments may compete.

Entry Procedure: The Beehive Bonanza will be using www.forensicstournament.net exclusively for entries. Entries must be completed by 5:00 PM MST on Monday, October 3, 2011. Drops and name changes (but not adds) can be entered no later than 5:00 PM MST on Wednesday, October 5, 2011.

Harassment and Discrimination: Please note that the University of Utah takes a firm stance against harassment and discrimination on the basis of sex, gender, sexuality, race, ethnicity, national origin, veteran status, and bodily ability. We will use the CEDA Statement on Sexual Discrimination to arbitrate instances of harassment and discrimination. For details, see <http://cedadebate.org/files/2010SpringConstitution.pdf>.

Food: There are plenty of restaurants conveniently located near campus that you can choose to visit for lunch/dinner during the tournament. Unfortunately, we will not be able to offer food for students who are not competing in the round robin. **However, the University of Utah Student Union WILL BE OPEN for students to purchase a variety of snacks and meals during the lunch hour (11-1) on Saturday, October 8th.** Light snacks will be provided for judges/coaches in the wellness room and dinner (Friday) and lunch (Saturday) will be provided for Round Robin participants.

Individual Events:

Events offered: Students may not enter in more than 3 IE events. It is the sole responsibility of the competitors to complete all events in the given time. Failure to do so will result in a no-show record for the round. We will offer the following events: Dramatic Interp, Humorous Interp, Duo Interp. Extemp (IX and DX will be combined), Original Oratory, Impromptu.

Divisions: We plan to offer both Open and Novice divisions in all the above events. However, we will collapse divisions if there are fewer than twelve entries in a division. In such an event, the top two competitors from the Novice division will receive an award in addition to the Open division awards. No competitor in the Novice division should have more than one semester of forensics experience. A semester means that the student has competed in at least three tournaments of any style of forensics.

Elimination Rounds: Any event with less than 7 contestants will not have a final round. For events with more than 7 competitors, a final round will be held. At the Beehive Bonanza, any event with more than 24 entries will advance to semifinals.

Advancing to Elimination Rounds: No more than half of the field will be advanced to finals. Students will be rank ordered first by highest cumulative rankings, then by the highest speaker points. All attempts will be made to make a clean break (by cumulative rankings).

Placement in Elimination Rounds: Students will be rank ordered first by cumulative rankings, then by judge's preference, followed by the highest reciprocal score (decimal conversion), and finally by the highest cumulative ratings.

Debate Events:

Topics: We will use the 2011-2012 NFL policy, the September/October 2011 LD (released Aug. 15), and October (released Sept. 1) PF topics. Likewise, we will use the speech times set forth by the NFL (policy: 8 minute constructive, 5 minute rebuttals, 5 minute prep time per team; LD: 6-3-7-3-4-6-3, with 4 minutes of prep time per team; PF: 4-4-3-4-4-3-2-2-3-2-2 with 2 minutes of prep time per team).

Divisions: Provided that there are at least 12 entries per division, we will offer Novice and Open Division. Division rules will follow NFL guidelines. Eligibility is determined based on the partner with the most experience. No debater in the Novice division should have more than one semester of debate experience. A semester means that the student has competed in at least three tournaments of any style of debate. In the event divisions are collapsed, awards will be given to the top two Novice Teams.

Disclosure: Utah Forensics embraces disclosure as a powerful form of forensics pedagogy. Following the return of the ballot, critics may disclose as much or as little information as they see fit so long as it does not interfere with the tournament schedule. Delays caused by coaches/judges may, at the tournament director's discretion, result in penalties to that school's teams including removal from the tournament. We don't want to do it, so don't put us in a position where we would want to do it. NOTE TO JUDGES: All rounds must have one winner and one loser. If a judge does not assign one winner and one loser, the tabulation staff will forfeit all teams from that judge's school for the round in question.

Preliminary Rounds: The computer will randomly match Rounds 1 and 2. Additional prelims will be paired based on the notation in the tournament schedule.

Elimination Rounds: Advancement to and seeding in elimination rounds will be first based upon wins, followed by adjusted speaker points, then total speaker points, next by opposition record, and finally by judge variance. In elimination rounds, brackets will be broken. If more than 32 teams in any division, the tournament will advance to a full octafinal round. If fewer than 32 teams are in any division, partial octafinals will be held to advance all teams with winning records.

Student Congress

Sessions: Two, two hour sessions of Student Congress will be offered on Friday afternoon/evening. Both sessions will conflict with debate events. We plan on having one chamber for every 20 entries. We will also offer Congress in both the Open and Novice divisions. If a division has fewer than 10 entries, it will be collapsed to form one division of competition. In this event, the top three novice speakers will be recognized.

Legislation: The docket will be emailed prior to the tournament. The docket will be pre-established by Utah Forensics as a means of creating opportunities for equal participation. We plan to offer between 8-12 pieces of legislation for students to consider (as time permits). Schools are welcome to submit legislation for consideration. However, submission will not guarantee that school's competitors any unique opportunity to speak on the legislation. An agenda and docket will be made available at debate.utah.edu on or about September 23, 2011. There will be no copies of bills made at the tournament. Kindly bring enough copies for

your team. This timeline should allow students to research and understand the topics at a greater level than surface knowledge. Awards will be given to the top 5 speakers in each Chamber.

Divisions: Provided that there are at least 20 entries per division, we will offer Novice and Open Divisions. No participant in the Novice division should have more than one semester of forensics experience. A semester means that the student has competed in at least three tournaments of any style of forensics. In the event divisions are collapsed, awards will be given to the top two Junior participants.

Financial Information

Entry Fees: We will be using the fee schedule itemized below. Please have cash or check to pay your entry fees during registration. Checks should be made payable to University of Utah-Communication. Please write "Forensics-Beehive Bonanza" in the memo line. Entrants unable to pay fees at the time of registration will be assessed a \$50 late payment fee. Fees will be assessed at 5:00 pm MST on Monday, October 3, 2011. The fee schedule is as follows:

<u>Description</u>	<u>Cost per entry**</u>
School Entry Fee	\$50 (\$30)
Policy Debate Entry Fee	\$40 (\$35)
PF/LD Entry Fees	\$30 (\$25)
NFL Individual Event Entry Fee	\$8/\$15 for duo
Drop Fees	50% of entry costs
"No Show" Fee	\$25/individual

**Costs in parentheses indicate fees for UHSAA/UDCA member schools.

Judging: One judge can cover up to 6 IE slots or 2 debate teams. Judges may not cover both debate and Student Congress. Debate judges are committed through octafinals and one round beyond their team's/debater's elimination. An I.E. judge is committed through finals. Meeting this commitment is essential in order for the tournament to run. Judges wishing to judge beyond their commitment should notify the Tournament director. Compensation may be available. Your generosity will be most appreciated.

Uncovered Fees: First and foremost, please, please, please, bring your judges. We only have a limited pool of available judges to hire. Hiring qualified judges is expensive. Please note: if you do not bring judges, the entirety of your judge fee will be used to pay hired judges not as an instrument to earn profit. Uncovered judge fees will be assessed on the following basis:

<u>Description</u>	<u>Cost per judge</u>
Uncovered Team Debate Entry	\$75 (covers up to 2 teams)
Uncovered LD/PF Entry	\$50 (covers up to 2 PF teams/LD debaters)
Uncovered IE Fee	\$25 (covers 1-6 entries)

Tournament Awards

Individual Events Awards: We will offer awards for the first four finishers, with certificates for finalists and semifinalists.

Debate Awards: We will offer awards for every team advancing to elimination rounds as well as the top 10 speakers in each division (though we will recognize the top 20). Speaker awards will be determined in the following way: adjusted points, total points, double adjusted points, judge variance (Z-score).

Scholarships: We will offer \$500 partial scholarships to the top competitors in both Lincoln-Douglas and Policy Debate. Please keep in mind that these scholarships can only be used by students who attend and compete at the University of Utah.

Sweepstakes: The top five schools competing in the tournament will receive recognition and the top three will be awarded sweepstakes trophies. We will calculate sweepstakes awards using the UHSAA's "Quartile System." All contestants (including disqualifications, drops, no shows, etc.) in each category shall be ranked in order of finish. The category shall then be divided into equal fourths. Odd numbers shall be placed in the highest fourth possible (one odd number shall be added to the first quarter; two odd numbers shall add one to each of the two highest quarters, etc.). The first quarter shall be 'Superiors', the second quarter shall be 'Excellents', the third quarter shall be 'Goods', and the final quarter shall be 'Fairs'. Points shall be assigned as follows:

Quartile	Policy and PF debate	Congress, L-D, and IEs
Superior	10	5
Excellent	6	3
Good	2	1
Fair	0	0

Rankings in all Individual Events and Legislative Forum shall be based on ranks in preliminary rounds. Ties shall be broken by comparing ratings, but not by comparing individual boxes marked on ballots. Unavoidable ties shall increase the higher quartile by the number involved and decrease the lower quartile by the same number. When quartiles do not break cleanly, adjustment will be made in the direction which least skews the quartile. For example: If ten superiors are needed and the choice is between nine superiors or seventeen superiors, nine will be used since it more closely approximates the quartile. If the number is the same, regardless of direction, the greater number would be used. Rankings in Policy, Public Forum and Lincoln Douglas Debate shall be based on win-loss records in preliminary rounds. Ties shall not be broken on speaker points. Unavoidable ties shall increase the higher quartile by the number of teams involved and decrease the lower quartile by the same number.

Campus-Use Agreement

The Beehive Bonanza is made possible by the willingness of the University of Utah to allow us to use the campus facilities. This means campus facilities must be left in the condition they were found prior to the tournament. Students should be tidy, refrain from moving any furniture or equipment, and follow all posted campus regulations. It is the coach's responsibility to provide necessary chaperones/judges to monitor their students and to pay for any damages or additional janitorial fees.

If any participants are found vandalizing the campus they will immediately be removed from the campus, all participants from the student's school will be automatically disqualified from the tournament, and the school district and school administration will be notified. In addition, the University may take legal actions as warranted. Not only does violent or destructive behavior jeopardize the future of the Beehive Bonanza, it impinges directly upon the reputation of the University of Utah Forensics Team and its coaches. With this in mind, we are hoping that the directors of high school programs attend will help alleviate the problem. There are a number of steps we hope you will take.

- 1) Discuss with your students the ramifications of vandalism and the need to treat the campus with respect.
- 2) Bring enough chaperones to supervise the students you bring to campus.
- 3) Be conscientious about what students you bring to the tournament. If you know you can trust your students to be responsible, we can avoid the majority of problems.

Failure to abide by these guidelines will require campus-use deposits in future years. This will only increase the costs for everyone involved.

By signing, I agree that I have read and understand this document, that I have informed my students of these guidelines, and that I accept financial and ethical responsibility for any damages caused in part or whole by any member, coach, judge, or other person affiliated with the team I represent.
