

Hap Hingston Forensics Invitational *January 11-12, 2013*

November 25th, 2012

Dear Forensics Colleagues:

Pacific University is pleased to invite you to the annual Hap Hingston Forensics Invitational to be held on **January 11-12, 2013**. Please note that **ENTRY FEES** are due at the time of **registration** on **Friday, Jan 11th**. We will accept **Cash, Check or PO's**. Please make Checks or PO's out to **Pacific University**.

Regarding events, we are again offering **LIBIELL** (Literary Interpretation for Beginning and Intermediate English Language Learners) to our IE's. Additionally, to ensure we have enough rooms for competition, we hold the right to **impose strict entry restrictions as needed** (see page 2).

The tournament is named after A.C. "Hap" Hingston. Hap was a faculty member at Pacific University from 1942–1973 and continued serving on Pacific's Board of Trustees until 1983. He also served as chairperson of the department of communications and the director of forensics for many years. We are proud to have our tournament named after Hap Hingston.

Please let us know if you have any questions or if we can provide you with further information. We look forward to seeing you in January.

DIVISIONS & RESTRICTIONS

DIVISIONS

We will offer Junior and Senior divisions for all styles of IE and Debate with the exceptions of LIBIELL (Jr only), Serious Interp (Sr only), Humorous Interp (Sr only) and CX (Sr. only). Please use the following guidelines to determine the appropriate divisions for your students:

- **Junior** – This division is open to high-school freshmen, sophomores, and first-year speakers. Students in the junior division are allowed exceptions for cases of memorization and notes.
- **Senior** – This division is open to all high-school students. All senior division events will follow auto-equal rules (note: computers are not allowed during EXT prep), including ANY divisions collapsed into the senior division. Since CX is senior division only, this event is not limited to novice topic areas.

Note: Students may be entered into different divisions of debate and individual events but only one division of individual events (e.g., if a student enters the junior division of Debate, they may enter the junior or senior division of IE's but not both).

RESTRICTIONS

Based on previous complications regarding entries, divisions and availability of rooms and judges, we are imposing the following restrictions for this year:

- **Entries** – Schools will be limited to maximums of *44 total entries for Individual Events (22 entries per pattern) and *12 total entries for Debate (CX & Public Debate are limited to 4 each).
- **Divisions** – If there are insufficient entries in **ANY** event, divisions will be collapsed into the senior division accordingly, thereby adhering to senior division rules.
- **Extemp** – Students entered in Extemp are prohibited from using computers (or other electronic devices) during prep time.
- **Topics** - Students identified as using cuttings or speeches that they used in previous years of competition will be dropped from that event for the competition. Petitions must be made exclusively to the tournament director for consideration.

****Note: If tournament entries exceed room availability, we will be forced to impose additional entry restrictions as needed. If this happens, schools will be contacted to work out the appropriate details at that time.***

DEBATE

DEBATE TOPICS

Cross Examination (CX), Public Forum (PF) and Lincoln Douglas (LD) will use current topics provided by the National Forensics League. CX will use the current year while PF and LD will use the January Topics. For details, see: <http://www.osaa.org/publications/handbook/1011SPEECHHandbook.pdf>. For each round of Public Debate (PD), the debaters will be given a choice of three topics from domestic and foreign affairs within the past two months. Each team will be allowed to eliminate one of the topics. Note: topic areas are not provided prior to the tournament.
